#### NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### Organization and Nature of Activities

The Franklinton Area Economic Development Foundation, Inc. (the Foundation) was organized as a nonprofit corporation on February 15, 1991, under the laws of the State of Louisiana. The Foundation's purpose is to promote economic development in the Franklinton area through encouraging manufacturing, processing and service firms to locate in the Franklinton area and render assistance to promote stability and growth to Franklinton area firms and industry that are currently providing employment opportunities. The Foundation's primary support is derived from a parish sales tax rededication concerning the landfill operating excess revenues, which flows through the Town of Franklinton from the Washington Parish Government. The Town of Franklinton allocates these funds based on a percentage established each year by the Board of Alderman. The Town is required to provide this percentage 90 days prior to December 1st.

The Foundation is a tax exempt organization as described in Section 501 C (6) of the Internal Revenue Code and thus, is exempt from federal and state income taxes.

#### **Public Support and Revenue**

Annual membership is available to individuals and businesses who meet the membership qualifications of completing a membership application, subject to approval by the Board of Directors, and paying the annual dues amount. Each member in good standing shall be entitled to one vote. Membership fees are generally available for unrestricted use and recognized as revenue when received.

#### Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles and accordingly reflect all significant receivables, payables, and other liabilities.

#### **Basis of Presentation**

Under Financial Accounting Standards Board ASC 958 (formerly SFAS No. 117), the Foundation is required to report information regarding its financial position and activities according to three classes of net assets; unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

- Unrestricted Net Assets Net assets that are not subject to donor imposed stipulations. Some unrestricted net assets may be designated by the board for specific purposes.
- Temporarily Restricted Net Assets Net assets subject to donor imposed stipulations that may or will be met either by actions of the Association and/or the passage of time.
- Permanently Restricted Net Assets Net assets subject to donor-imposed stipulations that they be maintained permanently by the Association. Generally, donors permit all or part of the income eamed on these assets to be used for general or specific purposes.

As of October 31, 2013, the Foundation had no temporarily or permanently restricted net assets.

#### **Use of Estimates**

Preparing the Association's financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts for revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### **Property and Equipment**

Property and equipment are carried at cost. Depreciation is provided using the straight – line method over the estimated useful lives of the assets. The following useful lives are 5, 7, and 10 years.

#### Income Taxes

Income taxes are not provided for in the financial statements since the Foundation is exempt from federal and state income taxes under code section 501 C (6) of the Internal Revenue Code and similar state provisions.

#### Cash Equivalents

The Foundation cash and cash equivalents are considered to be cash on hand, demand deposits, time deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

#### Investments

Investments are composed of certificates of deposits with financial institutions having original maturities in excess of three months when purchased. The Foundation accounts for investments at fair value in accordance with Financial Accounting Standards Board ASC 958. Investments are reported at fair value in the statement of financial position.

#### NOTE 2 - STEWARDSHIP, COMPLIANCE, AND ACCOUNTABILITY
